PRESS RELEASE

Registration Workshop for Institutions and Training Providers offering Post-secondary or Tertiary Education and Training

The Barbados Accreditation Council will be hosting another Registration Workshop on **Wednesday, June 18, 2008 at 9:30 – 11:30 a.m.** at the Conference Room of the Ministry of Education and Human Resources Development, “Elsie Payne” Complex, Constitution Road, St. Michael.

If you are a Training Provider or an Institution offering post-secondary or tertiary education and training in Barbados, and have not registered with the Council as yet, then you should not miss this workshop. The deadline to register for the workshop is **Friday, June 6, 2008.**

The workshop aims to assist participants with the completion of their Registration application forms and to answer any concerns or queries relating to registration or other services offered by the Council.

Registration is the first form of recognition by the Council. This recognition is important as it certifies that an Institution or Training Provider meets or exceeds certain standards. In addition, it is essential for institutions desirous of seeking accreditation with the Council.

Registration is for a period of one (1) year, from January to December. For additional information, you may log on to the Council’s website at www.bac.gov.bb and download the Institution or Training Provider Registration and Re-registration Application forms and Guidelines.

If you are interested in attending this informative workshop, you may download the registration package from our website, which may also be requested by calling the Council at (246) 436-9094 or via email at info@bac.gov.bb or by visiting our office at Weymouth Corporate Centre, Roebuck Street, St. Michael BB11127.
